

# **ADVENTURES in ART INFORMATION**

**ADVENTURES in ART is a stimulating weekly class for kids aged 8 and up, who enjoy making art.**

Kids are encouraged to express their creativity in an individual way as they try new possibilities in drawing and painting, printmaking and sculpture. Some exhibition visits are also included – these often provide inspiration for a particular way of working.

In the typical 10 week term, 8 weeks will be spent on a variety of painting and drawing lessons, using different materials to give a wide variety of experiences. Some examples of materials are acrylic paint used both thick and thin, graphite pencils and sticks, charcoal, crayons, oil and dry pastels, black ink, coloured ink and other more unusual media. The other 2 weeks of term are usually spent on printmaking or sculpture.

Classes are held on Tuesday or Wednesday afternoons during school terms, in the Packsaddle Studio at NERAM. All materials are provided.

**These classes are taught by Del Bernett, who is a qualified educator and artist.**

Her qualifications are B.A.(Ed), Dip. Ed, Certificate of Drawing and Associate Diploma of Art (Fine Art).

Her teaching experience with NERAM started with Education Officer from 2004 - 2007, when she worked with all ages from preschool to adults. In 2007 she commenced after-school art classes for children, and also Saturday classes for adults. She is passionate about helping both adults and children to learn about art, and to enjoy the experience of creating their own works. She enjoys planning interesting art activities, and loves seeing the wonderful variety of work produced by her students.
