

DRAW YOUR IDENTITY

We are all shaped by our experiences , interests and surroundings. Draw a picture of yourself or cut out a photo then surround it with drawings of the things that define who you are. It could be family, culture, a journey you have taken, a hobby you love, things you have been taught and are important to you, anything that you think makes you, you. Be inventive and think about the use of symbols, such as a plane or boat for a journey.
